WHOLE SCHOOL MESSAGE

What a wet week! The weather has been awful, but our children have as always been a delight. Our pupils are always very supporting and encouraging and kind to one another and these are qualities we hold highly. With the wet weather there has been a lot of 'indoor play' and we have held a range of activities, including dodgeball, which the children love.

We do ask that you encourage your children to spend time on TTRS - Timetables Rock Stars or please have fun challenging your children on their timetables, especially in the car - it will make any long journey go quickly!

I am sure you are aware that our Trust has a new name. We are now called Changing Lives Learning Trust rather than West Lakes Multi Academy Trust. We have a new trust logo and a new colour theme and we also have new emails. If you need to contact the office via email it is now admin.thornhill@changinglives.education.

The Trusts' support of Thornhill Primary remains the same and we all continue to work to provide the very best opportunities for our pupils.

We would like to take this opportunity to thank you for your continued support of the school and the continued support of the community. We held a number of events last term that were incredibly well supported by our parents and families and we are very grateful for this. We have also received donations from our wider community and these are hugely appreciated.

I hope you have a lovely weekend

Safer Internet Day

2023 | Tuesday
7 February

Safer Internet Day 2023 is on 7th February, and will be celebrated with the theme

"Want to talk about it?"

"Making space for conversations about life online".

Safer Internet Day is celebrated globally each year to promote the safe and positive use of digital technology for children and young people, and to inspire a national conversation about using technology responsibly, respectfully, critically, and creatively.
