

# THORNHILL PRIMARY SCHOOL

**FRIDAY 24th March 2023**

## WHOLE SCHOOL MESSAGE

It feels as if I say the same thing week in and week out here when I mention how busy we are. This week has been no different. The children and teachers are super busy in classes and we all enjoyed a great week of learning. We also enjoyed welcoming parents and grandparents in to school for our pupil showcase, our pupils are very proud of their work and they love to show this off and share this with you.

The information from our parent forum is available on our website, we hold these forums to provide you with an opportunity to find out information about school improvements or developments or key areas of focus. If you ever have any thoughts or questions about our school or about your child's education, please do not hesitate to ask either myself or your child's class teacher.

Thank you so much to you all for supporting your children with the Team Evie Reading Challenge. Team Evie is a charity based in West Cumbria which was set up by Greg and Jill Johnston, in memory of their daughter, Evie. Their mission is to help sick children and their families who face similar challenges to those Evie faced in her all too short life.

This mission is achieved by supporting 20 different wards and medical teams across the North East and Cumbria by raising vital funds to buy physiotherapy equipment, sensory equipment, comfort items, portable libraries, TVs, iPads for patients and staff training, Christmas and Easter hampers, breaks away for bereaved families and much, much more. Using the money raised from the reading challenges, Team Evie provides portable library trolleys for children's wards in hospitals. We think this is a wonderful charity, and ask that all donations are handed in to school by the end of term.

Looking forward to seeing many of you at the Bingo event next week.

I hope you have a lovely weekend

#### ALLERGY INFORMATION:

If you would like to know about particular allergens in foods please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of cross contamination.

# Bollywood Workshop

The children enjoyed a fun, educational and unique experience on Tuesday and learned a little about Bollywood dance and Indian culture. They were shown how these Indian dance styles are performed traditionally in India and how Dance is incorporated in many Indian celebrations.
