

THORNHILL PRIMARY SCHOOL

FRIDAY 19th May 2023

WHOLE SCHOOL MESSAGE

Learning is always fun and explored in a range of ways across the school.

Our Early Years pupils planted beans and seeds this week and we look forward to watching them grow!

The reception children and our Year 1 children are becoming more confident with their letters and sounds which will make them more confident and able readers and this is something we are incredibly proud of.

Our Year 2 pupils are preparing for their SATs, these will take place next week and we wish them the very best of luck, they have been working incredibly hard and we know they will do their very best.

Our Key Stage 2 children have been working very hard, as always, and have also been exploring the local area for their geography work. We always try to make learning as active and engaging as possible.

We have had a number of visitors in school this week, and I always receive lovely comments about our children and their manners. This is something we work to promote as we recognise the value and importance of good manners, we do have very polite children, they are a credit to you.

I also receive comments about the feel of the school, and how lovely it feels, which is true, it has a sense of purpose, fun and care. Thornhill Primary School is a great school, we hope you agree with this, but please do not hesitate to contact me if you have any concerns about the school, your views are very important to us.

I hope you have a lovely weekend

Sophie McCabe

Executive Headteacher

ATTENDANCE

Whole School 94%

Reception – 88%

Year 1 & 2 – 96%

Year 3 & 4 – 91%

Lily, Taylor & Brian

Good Work Year 1 & 2
Poppy & Autumn

Good Work Year 3 & 4
Ocean & Harlow

Good Work Year 5 & 6
Trent, Alfie, Kain & Damien

Coronation Wildflower Seeds

To commemorate the Coronation of King Charles III, the Department for Education sent the school packets of British mixed wildflower seeds to plant. The seeds could be the start of something amazing as the packs have species of native wildflowers:

- Cornflower (blue) - Corn poppy (red) - Corn chamomile (white) -

Corncockle (purple) - Corn marigold (yellow) - Night flowering catchfly (white / pale pink)

These beautiful annual wildflowers will provide food for a wide range of insects, including bees and butterflies. As you can see our Nursery children really enjoyed sowing them on Wednesday.

GREEN Foodbank DAY

Friday 30th June

**Help your community
and have fun at the
same time.**

Please only give if you can

**Thank
you!**

Need help with food? Call our helpline.
